PURPOSE

This implementation plan describes the specific actions that must be taken to accomplish each major policy goal and strategic objective identified in the *Building a Firm Foundation: The 2016 Strategic Plan*. Additionally, it identifies the parties responsible for accomplishing actions, time lines for action completion, and an evaluation approach that identifies how progress in accomplishing the actions will be tracked and reported.

EVALUATION APPROACH

The Lead Agency Planner will be reasonable for tracking the status of the action steps in this implementation plan including notifying responsible persons and organization of upcoming action completion dates, obtaining timely progress reports from responsible persons and organizations, and routinely reporting to the Strategic Planning Committee on plan progress. The Strategic Planning Committee will determine whether progress is satisfactory and determining appropriate remedial actions for unsatisfactory progress. The Chair of the Strategic Planning Committee will report plan progress to the Lead Agency Executive Director and to the Board of Directors and present Strategic Planning Committee recommendations for the consideration of the Board.
