Welcome to the Eligibility Verification Wizard

The Early Learning Coalition may have funding available to assist in paying for child care.

But first, we need your help in confirming that your child is still eligible.

This Eligibility Verification Wizard will guide you through the processes of

1. Verifying your existing information (and updating whatever may have changed) and
2. Uploading documents that validate the information you've provided.

When you're ready to begin, click **Start!**

Start!

The family will click the green **Yes** or red **No** button in each section.

The screenshot shows the 'Eligibility Verification Wizard' for 'Household Address'. The left sidebar has a radio button selected for 'Household'. The main area contains a form with the following fields: 'Address Line 1' (250 Marriot Drive), 'Address Line 2 (Apt, Suite, etc)', 'City' (Tallahassee), 'County' (Levin), 'State' (Florida), and 'Zip Code' (32399). Under 'Proof of Residency', there are two document upload slots, each with a 'View' button. At the bottom, a question asks 'Is this information accurate and complete?'. The 'Yes' button (green) is disabled, and the 'No' button (red) is active. Navigation buttons 'Previous' and 'Next' are at the bottom.

The **Next** button is disabled until the family chooses a **Yes** or **No** button.

This screenshot is identical to the previous one, but the 'Yes' button is now active (green with a checkmark) and the 'No' button is disabled (grey). The 'Next' button at the bottom right is now active and highlighted with a red box. The 'Previous' button remains disabled.
