Enclosed you will find the 2021 application for membership in the Homeless Coalition of Polk County, Inc. As a member, you may designate up to three people from your organization to vote on Continuum of Care policies, including election of our Governance Board, and participate in CoC Committees and workgroups. In addition, membership allows you to participate in certain grant applications throughout the year.

If you are renewing your membership, before you send your dues please take a moment to complete the enclosed forms so that we have your updated contact information as well as updated services information.

If you are a new member, welcome! In order to process your application, we will need a completed application, payment for dues, and your 501c3 determination letter (if applicable), Articles of Incorporation, and By-Laws.

Thank you for supporting our organization and the homeless clients our Continuum serves on a daily basis. We look forward to working together to make 2021 a successful, productive, and fulfilling year for all of our members!
